RE: Data Errata Graduation Credits

To whom it may concern:

This letter is to correct the School District of Abbotsford's reported high school Graduation Requirements 2019-20.

The High School Graduation Requirements 2019-20 report submitted to dpi indicated that the credits of health education requirement fulfilled in grade 7 and/or Grade 8 was 0.5. The top section indicating local graduation requirements did not show the 0.5 health credits. The district did require 0.5 credits in Health for graduation in the 2019-20 school year. Please see the enclosed copy of the report submitted to dpi.

Sincerely,

*Georgia Kraus*
