RE: Date ERRATA

We have been notified that our graduation Requirements Report listed 0 credits in Health. This is in error as we require .5 health credits. I have since corrected the information in our SIS (Infinite Campus) and resynced our Wisedata to correct the information. It should now read .5 health credits which are normally earned in 8th grade for high school credit.

If you have any questions or concerns, please contact me at 715-545-2724 or cspurgeon@phelps.k12.wi.us.

Sincerely

Cynthia Spurgeon
Business Manager
