To Whom It May Concern;

The School District of Albany has been made aware of a data error reported in WISEdash for Districts, regarding the High School Completion rate for 2015-2016 school year.

The data should show that twenty students out of a class of twenty, completed and graduated from Albany High School for the school term 2015-2016. These students received a diploma on May 29, 2016.

Sincerely,
