To Whom It May Concern:

The School District of Baraboo acknowledges a discrepancy in WISEdata for the Baraboo High School for the 2019-20 school year.

One of our Baraboo High School graduates is listed as a six-year non-graduate. The District has an official transcript from the Interlochen Arts Academy that the student indeed graduated in May of 2018.

Please accept this data errata letter as explanation for the discrepancy in our WISEdata for Baraboo High School for the 2019-20 school year.

Sincerely,

Dr. Lori M. Mueller  
District Administrator
