Dear Ms. Jones:

The purpose of this letter is to update the graduation data that was reported in error for 2016 Bloomer High School graduates. Due to a software issue, I was notified that 76 of the 96 graduates were reported as not completing the 2015-2016 school year. This error was also reported incorrectly in WISEdash due to the exit code/type. The true number of high school completers for the 2015-2016 school year should be 96.

Since the ISES collection is closed and has already been publicly reported, I understand that the ISES information cannot be changed. However, I would like to report this error to the Data Errata Website.

Please accept this letter explaining the inaccuracy in the reported graduation/exit of Grade 12 students for the 2015-2016 school year.

Sincerely,

Pamela Hebert
