To Whom It May Concern:

The Clear Lake High School ISES high school completers count, per the 2015-16 High School Completion Rates report in WISEdash, is erroneous due to an incorrect exit code/type.

This error was discovered by the DPI, during the ISES Year-End data quality checks. Our district reported our graduates with high school equivalency diploma instead of regular diploma for 2015-16 school year.

We apologize for this error and ask that you post this information on the Data Errata Website for public information. If there are any questions or concerns, please feel free to contact me.

Sincerely,

Nick Gilles, Principal
