Dear WISEdata Collection Agents,

During the 2022-2023 school year, the district created an alternative education program and set graduation requirements within that program that would now allow eligible students to graduate with a regular education diploma. Therefore, on November 9, 2023 an eligible student from the 2021-2022 graduating class requested a regular Columbus High School graduation diploma.

These changes have been noted on our student tracking system and our Student Information System. We continue to work with our data team to effectively track student data in an effort to meet compliance measures set in place by the Department of Public Instruction.

If you have any questions or require additional action, please contact me at (920) 623-5950 or via email at jflood@columbus.k12.wi.us.

Sincerely,

Jacob Flood
District Administrator
Columbus School District
