To Whom it May Concern:

The Fond du Lac School District has discovered an error in the 2015-2016 graduation data as reported in WISEdash for Districts.

The data incorrectly shows that only 4 students with disabilities graduated as part of the 4-year cohort when, in fact, 35 students with disabilities graduated as part of the 2016, 4-year cohort. This erroneous report occurred due to an incorrect exit code/type. As the ISES reporting system is no longer used by DPI, we have been informed that this data cannot be corrected on WISEdash.

Please accept this data errata letter explaining the inaccuracies of the 2015-2016, 4-year cohort graduation rate.

Sincerely,

Dr. James R. Sebert
Superintendent of Schools
Fond du Lac School District

The mission of the Fond du Lac School District, in partnership with the family and the community, is to promote high achievement and foster the continuous growth of the whole child, so that each becomes a creative, contributing citizen in a global society by providing personalized learning opportunities in a safe, nurturing environment.
