To whom it may concern:

The data reported in WISEdash Public for Milwaukee Public Schools for 2015-16 four-year graduation rate and 2015-16 dropout rate are not accurate and have been updated through the school report card inquiry process.

The updated and verified data indicate Milwaukee Public Schools has:

2015-16 Four-Year Graduation Rate: 60.9%

2015-16 Dropout Rate: 5.1%

This updated information will be part of the 2016-17 Milwaukee Public School's detailed school report card on pages 14 and 16 respectively. Any questions may be directed to:
