Attention: Michelle Jones
125 S. Webster Street
Madison, WI 53703

To Whom it May Concern:

The New Glarus School District has discovered an error in the data reported in WISEdash for District regarding Graduation, High School Completion Rates data for “Not Completed – Not Known to be Continuing Toward Completion” for New Glarus High School.

Due to the timing of this error the information can no longer be corrected. Please accept this data errata letter explaining the error.

Our district would like to correct the data, if possible, for the upcoming snapshot date.

- High School Non-Completers – 4 Year Graduation Rate for 2019-2020 is inaccurate. Our records show that the student in question attended our district for Middle School, but the summer going into High School withdrew to attend Home Based Education starting the 2016-2017 School Year. The student then re-enrolled in New Glarus High School for one term to take one class as a part time student. Due to the part time status the student should not be reported, and should not be part of the 2020 cohort.

We have a new system in place to review student’s entry and withdrawal records especially when they are part time students.

Sincerely,

Jennifer Thayer, Ph.D.
Superintendent – New Glarus School District
