**RE: ISES YE-Data – Graduates reported incorrectly 2015-2016**

To whom it may concern:

The School District of NFDL was advised the graduates for the 2015-2016 school year were not reported correctly. After the year end reporting, our graduates showed “not completed” in WISEdash.

However, this is a mistake. The School District of NFDL 2016 graduates are marked in our SIS as **COMPLETED**. Completing our graduates is part of our year end process and may not have been completed at the time the report was generated or a simple mistake was done at the time of reporting and a box may have gone unchecked.

Rest assured, our graduates are marked as completed graduates for the school year of 2015-2016.

Thank you and sincerely,
