RE: ISES YE-Data – Graduates reported incorrectly 2015-2016

To whom it may concern:

This purpose of this letter is to update the graduation data that was reported in error for the 2016 Portage Community School District graduates. I was notified that 87.8% of our graduates were reported as not completing the 2015-2016 school year. The error was also reported incorrectly in WISEdash due to the exit code/type. The true number of high school completers graduating with a diploma in 2016 was 177 out of 188 students, at a rate of 94%.

Since the ISES collection is closed and has already been publicly reported, I understand that the ISES information cannot be changed. However, I would like to report this error to the Data Errata Website.

Please accept this letter explaining the inaccuracy in the reported graduation/exit of Grade 12 students for the 2015-2016 school year.

Sincerely,

A handwritten signature in black ink that reads "Teresa Dyal". The signature is written in a cursive style.
