Dear Michelle:

The reason for this letter is to update the graduation data that was reported in error for 2017 Waterford Union High School graduates. Due to a publishing issue, I was notified that our 242 graduates were not reported as completing the 2016-17 school year. Although when our administrative team viewed our DPI Report Card for 2016-17, it shows a graduation rate of 96.8%.

Since the WISEdata collection is closed and has already been publicly reported, I understand that the WISEdata information cannot be changed. However, I would like to report this error to the Data Errata Website.

Please accept this letter explaining the inaccuracy in the reported graduation/exit of Grade 12 students for the 2016-17 school year.

Sincerely,

Kathleen Weinkauff
Guidance Administrative Registrar
