March 15, 2022

Attn: Michelle Jones
Re: Data errata Letter

This communication corrects the previously submitted pupil count on our school's PI-1207 Report. The count includes several errors, including reclassifying grades for the summer school count on the September 3rd Friday Count for September 2021.

The enrollment count kindergartens, 5th, 6th, 9th, and 10th grades were changed due to reclassification and errors in counting. The "4-year-old Kindergarten" increased by one due to reclassification and a wrong count listed as 27. The actual count is 29. The "5-year-old Kindergarten" decreased by one due to reclassification and a wrong count recorded as 21. The actual count is 26. The 5th grade increased by one due to reclassification. The actual count is 24, not 23 as listed. The 6th grade decreased by one due to reclassification and an inaccurate count recorded as 25. The actual count is 27. The 9th grade increased by one due to reclassification and the actual count is 46, not 45, as recorded. The 10th grade decreased by one due to reclassification and an inaccurate count, and the actual count is 43, not 40.

The 1st, 2nd, 11th, and 12th grades were incorrectly listed. The 1st grade was 19, the actual count was 20. The 2nd grade was 24, the actual count was 26. The 7th grade was 29, and the actual count was 27. The 11th grade was 34, and the actual count was 37. The 12th grade was 32. The actual count is 34. The previous "Total" number of students enrolled read (388) when it should have noted (411) total students.

Thus the "Enrollments" section, corrected, should read:

Grade		Count
4-year-old Kindergarten	(K4)	29
5-year-old Kindergarten	(KG)	26
First Grade	(01)	20
Second Grade	(02)	26
Third Grade	(03)	20
Fourth Grade	(04)	19
Fifth Grade	(05)	24
Sixth Grade	(06)	27
Seventh Grade	(07)	27
Eight Grade	(08)	33
Nineth Grade	(09)	46
Tenth Grade	(10)	43
Eleventh Grade	(11)	37
Twelfth Grade	(12)	34
Total		411
