Re: Data Errata

To Whom It May Concern,

For the Hurley School District, the economically disadvantaged data submitted for the 2021-22 school year for the 2022-23 AGR allocations was incorrect.

Incorrect Data		Correct Data	
Not Economically Disadvantaged	73	Not Economically Disadvantaged	64
Economically Disadvantaged	42	Economically Disadvantaged	51
Total	115	Total	115

Please accept this letter as official notification of the error of data. Procedures are now in place to ensure this data is entered into our student information system in order to be reported properly on each data snapshot.

Sincerely,

Kevin Genisot
 District Administrator
