RE: Third Friday in September Inclusion Count Data Errata

Dear Ms. Jones,

Isthmus Montessori Academy Public is submitting this errata letter in order to correct our Third Friday in September Count in regards to Students with Disabilities for the 2018-2019 and 2019-2020 school years. The information that was requested from the Department of Public Instruction in a timely manner, but duplicate information was requested in a different format. In an effort to increase understanding, our district has been in contact with multiple individuals within the Department of Public Instruction.

This change has been noted in our student tracking system and our Student Information System. As of Summer 2020, we are partnering with Oasys to better manage our data related to Student Services in an effort to meet compliance measures set in place by the Department of Public Instruction.

If you have any questions or require additional action to resolve this issue, please contact Carrie Marlette - Head of School and Special Education Program Coordinator, at carrie.marlette@imapublic.org or call (608) 661-8200.

In Service to the Children,

Kara Anderson
