RE: No Valid License/Questioned Cost Worksheet Data Errata

Dear Ms. Jones,

Isthmus Montessori Academy Public is submitting this errata letter in order to correct our error in reporting the No Valid License/Questioned Cost Worksheet for 2019-2020 school year. (What else can we say?)

As a district moving forward, we are seeking out individuals and agencies who are able to provide straightforward and meaningful support to our organization. As of Spring and Summer 2020, we have been in communication with the Department of Public Instruction to increase understanding of WISE and other reporting platforms.

If you have any questions or require additional action to resolve this issue, please contact Carrie Marlette - Head of School and Special Education Program Coordinator, at carrie.marlette@imapublic.org or call (608) 661-8200.

In Service to the Children,

Kara Anderson

Director of Community Relations and Student Welfare
