RE: Data Errata

To Whom It May Concern

Upon review of our district's economically disadvantaged data, we discovered that there were records in our Student Information System that were not transmitted correctly for the student demographics portion of the snapshot on December 6, 2022. The missing records are now correctly reported in WISEdata Portal. Please see the chart below which shows the corrected TFS numbers for Lac du Flambeau Public School.

School	Not Econ Disadv	Econ Disadv	Total
Lac du Flambeau School District	67	444	511

Procedures are now in place to ensure this data is updated correctly in our SIS in order to be reported properly on future data snapshots. Please do not hesitate to contact me if you have any questions or require additional information.

Respectfully,

Joshua R. Ernst, Ph.D.

District Administrator

Lac du Flambeau Public School

cc: Mrs. Ashleigh Ziehmke, Director of Teaching and Learning
