Re: Data Errata - AGR Supplement

To whom it may concern:

For the Marion School District, due to Marion Elementary's enrollment in the Community Eligibility Provision and how economically disadvantaged data are reported to WISEdata via our student information system for CEP schools, data was submitted incorrectly for the 2022-2023 school year for the count of economically disadvantaged students.

The correct data are:

	Marion Elementary	Marion Junior/Senior High	Totals
Not Economically Disadvantaged	117	103	220
Economically Disadvantaged	129	99	228
Total	246	202	448

Grade Level Counts

	K4	KG	1	2	3	4	5	6	Totals
Not ED	12	14	16	12	14	13	16	20	117
ED	16	15	15	10	17	14	19	23	129

Please accept this letter as official notification of the error of data. Procedures are now in place to ensure these data are entered into the MSD student information system in order to be reported properly on future data snapshots.

Sincerely,

Troy Edwards, District Administrator
