

Re: Data Errata  
Attn: Michelle Jones

To Whom It May Concern,

For Mondovi Elementary in the Mondovi School District, there is a discrepancy between the direct snapshot data that was pulled for our economically disadvantaged students from the 2021-2022 school year as compared to our Third Friday Count on September 17, 2021.

The correct data is:

Not Economically Disadvantaged	169
Economically Disadvantaged	104
Total	273

Please accept this letter as official notification of the error of data. Procedures are now in place to ensure this data is entered into the WSBVI student information system in order to be reported properly on each data snapshot.

Sincerely,

Tyler Nelson
