Dear Ms. Jones,

This letter is to correct the Montello School District's January 28th snapshot for the following:

**Third Friday of September Enrollment of Students with Disabilities**  
**October 1 Child Count Enrollment of Students with Disabilities**

The 2019-2020 snapshot for TFS students with disabilities showed 4 SwD. Due to an error in the set-up of Ed-Fi in our SIS (Infinite Campus), the correct count for TFS should be 120 SwD.

The 2019-2020 snapshot for October 1 Child Count showed 7 SwD. Of the 7 that counted, one student showed Active with an Unknown Disability and one student showed Inactive with an Unknown Disability. Both should be Active with a Disability. Due to an error in the set-up of Ed-Fi in our SIS (Infinite Campus), the correct count for October 1 Child Count should be 126 SwD.

Please accept this data errata letter as notification of the errors. Thank you.

Sincerely,

Margaret Banker, Ph.D.  
District Administrator  
Montello School District
