Dear Ms. Jones:

This letter is to correct the Mukwonago Area School District's January 28th snapshot.

DPI's snapshot is showing the TFS Count Date as 4503 students. Due to an issue with our SIS (Infinite Campus), our TFS count was incorrect. The corrected TFS count should be 5089.

DPI's snapshot is showing the Oct. 1 Child Count as 570 students. Due to an issue with our SIS (Infinite Campus), our Oct. 1 Child Count was incorrect as well. The corrected Oct. 1 Child count should be 622.

Please accept this letter as notification of the error. Thank you.

Sincerely,

Benjamin Kossow
Coordinator of Assessment and Data
Mukwonago Area School District
