RE: Data Errata

To Whom it may concern,

For New Lisbon Elementary there is a correction of data needed for 2021-2022 school year for the count of economically disadvantaged students.

The correct data is:

Not economically disadvantaged	81
Economically disadvantaged	87
Total	168

Please accept this letter as official notification of the error of data. Procedures are now in place to ensure this data is entered into the New Lisbon student information system in order to be reported properly on each data snapshot.

Sincerely,

Stephanie Moore
