RE: DATA ERRATA

To whom it may concern:

The data submitted for the Oshkosh Area School District's October 1, 2019 snapshot contained a substantial reduction in the amount of special education students that should have been included.

Due to an issue with our Student Information System (Infinite Campus), our Oct. 1 count was incorrect. The DPI's snapshot is showing the October 1 Child Count as 84 students. A second snapshot was conducted shortly after being notified of the error. The corrected October 1 Child Count should be 1548 students.

If you have any questions or need anything else to resolve this issue, please do not hesitate to reach out via email either junko.jacobs@oshkosh.k12.wi.us or linda.pierron@oshkosh.k12.wi.us.

Please accept this letter as notification of the error. Thank you.

Sincerely,
