Dear Ms. Jones,

This letter is to correct the Randall Consolidated School District's 2019-2020 October 1 Child Count information.

DPI's October 1 Child Count data shows that the number of children with disabilities as 73 students. Due to an issue with our SIS (Skyward), our October 1 Child Count was incorrect. The corrected October 1 Child Count should be 85 students.

Please accept this letter as notification of the error. Thank you for your assistance.

Sincerely,

Thomas R. Vogel
Director of Pupil Services
Randall Consolidated School District
