Dear Ms. Jones,

The purpose of this letter is to correct the January 28th snapshot for Rocketship Education Wisconsin.

DPI's snapshot currently has incorrect data for **Enrollment Count by Race/Ethnicity (2019-20)**. Due to an issue with our SIS (PowerSchool), our submitted counts were incorrect. The **corrected counts** for each school should be as follows:

- Rocketship Southside Community Prep -- Hispanic: **482**, Black: **14**, White: **19**, Two or More: **6**
- Rocketship Transformation Prep -- Hispanic: **10**, Black: **128**, White: **2**

DPI's snapshot is showing the (incorrect) counts as follows:

- Rocketship Southside Community Prep -- Hispanic: 387, Black: 19, White: 108, Two or More: 7
- Rocketship Transformation Prep -- Hispanic: 8, Black: 129, White: 3

Race/ethnicity categories not named above were submitted correctly and require no changes.

Please accept this letter as notification of the error. Thank you.

Sincerely,

Leydi Cottrill
