Re: Data Errata

To Whom It May Concern,

For the AGR Allocation Report that counts economically disadvantaged students, there was a misunderstanding at the Shawano School District as to what grades and schools to submit data for the 2021-2022 school year. We did not include our 3rd grade class from Olga Brener Intermediate in the count creating the error.

The corrected data is as follows by grade and school:

Hillcrest Primary	Economically Disadvantaged
Grade KG	67
Grade 1	85
Grade 2	85
Olga Brener Intermediate	
Grade 3	84
Total	321

Please accept this letter as official notification of the error in our data submission. With better understanding of the process, procedures are now in place to ensure this data is reported properly on each data snapshot.

Sincerely,

Cory J Kaisler
