RE: Data Errata

We will be needing to submit data corrections for economic disadvantaged counts for 4 of our AGR schools for the 21-22 school year. These CEP schools did not properly set the economically disadvantaged status in our SIS and have students missing from their counts.

The correct data for Grant Elementary is:

Grade Levels	KG - 03	All Grades
Not Economically Disadvantaged	50	80
Economically Disadvantaged	181	264
Total	231	344

The correct data for Longfellow Elementary is:

Grade Levels	KG - 03	All Grades
Not Economically Disadvantaged	18	25
Economically Disadvantaged	148	228
Total	166	253

The correct data for Jefferson Elementary is:

Grade Levels	KG - 03	All Grades
Not Economically Disadvantaged	17	32
Economically Disadvantaged	166	259
Total	183	291

The correct data for Sheridan Elementary is:

Grade Levels	KG - 03	All Grades
Not Economically Disadvantaged	20	28
Economically Disadvantaged	153	213
Total	173	241

Please accept this letter as official notification of the error of data. Procedures are now in place to ensure this data is updated correctly in our SIS in order to be reported properly on each data snapshot. Please do not hesitate to contact me if you have any questions or require additional information.

Sincerely,

Wayne Eschen
Coordinator of Information Technology
