RE: Wisestaff report for 2017-18 Reporting Year

Pursuant with our audit of the 2017-18 school year, it was identified that we had one teacher being identified as "no valid license". The reason the teacher is listed on the no valid license report is that they were reported in error as a Special Education Teacher instead of their true position here in the District as the Alternative Education Teacher.

If you have any questions, please contact me at (608) 882-3383.

Thank you
