

To Whom It May Concern:

I am sending this letter in regards to an Error on our Fall Staff Reporting for 2014-2015. The Error was caught after the WISEstaff Collection had been closed and could not be corrected.

The error is for Ariel Humpal

This is what it should say for Ariel:

Physics (40%) and Biology/Life Science (60%) and no General Science.

Thank you,

A handwritten signature in black ink, appearing to read "M Thomley", written over a large, light-colored oval shape.

Michael Thomley
