RE: Data Errata

Department of Public Instruction
PO Box 53707
Madison, WI 53707

To Whom It May Concern,

This letter is to correct the West Allis-West Milwaukee School District TFS count due to an enrollment overlap error that was never resolved in the 2022-23 school year.

I contacted the Salem School district regarding correcting their enrollment line for this student, but the error was never corrected and therefore never cleared.

I have submitted a helpdesk ticket through DPI to inquire about how to resolve this and they guided me to submit this letter to correct it.

Thank you for your help with resolving this issue,
