Re: WISEstaff Correction

Dear Department of Public Instruction,

This data errata letter is to correct the following assignments for the 2022-2023 school year.

- Michael Knapp (867489) was reported as not having a valid license for a Special Education Teaching assignment. He is licensed Cross Categorical, Emotional Behavioral Disabilities and Intellectual Disabilities MCEA/EAA.
- Teresa Pirillo's (864035) assignment was reported incorrectly as an Occupational Therapist and should have been reported as a Physical Therapist.
- Melanie Sickinger's (73024) assignment was reported incorrectly as a Special Education Program Coordinator and should have been reported as a Social Emotional Learning Consultant.
- Erin Devenport's (736127) assignment was reported incorrectly as a Special Education Program Coordinator and should have been reported as a School Psychologist.

Thank you for your help in resolving this.
