RE: 2023-2024 Misreported WISEstaff Data

Briefly describe the overarching issue/s with your LEA's WISEstaff data:

- Assignments reported - Nancy Schlageter

The audit error states that Nancy Schlageter's (96470) reported grade range is outside of the license range due to being coded to a low grade of 6th grade and a high grade of 8th grade. Her license is good for grades 7-12. Nancy should not have been coded to 6th grade as she did not work with 6th graders during the 2023-2024 school year. Instead she worked with a low grade of 7th grade and a high grade of 12th grade. She is in the process of getting her license extended to 6th grade for the coming 2024-2025 school year, not the 2023-2024 school year.

Please accept this letter as official notification of the data error.
