RE: 2023-2024 Misreported WISEstaff Data

On June 19, 2024, the Evansville Community School District received notice that Jarod Benrud's certification (entity number 659554) as an alternative education teacher has been flagged through WISEstaff. This communication serves as an explanation of his current certification with the WI DPI.

Mr. Benrud currently holds a one-year license with stipulations (1952 - Alternative Education 4-12). To my knowledge, this is not represented in WISEstaff. I will work to make this adjustment.

Assignments Reported: Teacher 1530 Physical Education PreK-12 & Health 1910 EC-A

Assignments to be Added/Adjusted in WISEstaff: 1952 Alternative Education 4-12

Salary: \$67,995

Contract: Mr. Benrud is currently contracted as a grades 9-12 alternative education teacher with the ECSD for the 2024-2025 school year

Please accept this letter as official notification of the data error.

Thank you,
