RE: WISEstaff Correction

To Whom it May Concern:

Brian Schalliol (#833167) is currently miscoded in WISEstaff as a social studies teacher. He should be coded as a computer science teacher (53 for teacher / 0405 for computer science). Thank you for your help in addressing this issue.

Tim Kachur

A handwritten signature in black ink, appearing to read "T. Kachur", with a stylized flourish at the end.
