RE: WISEstaff Correction of LEA and Total Years of Experience

Dear Michelle:

Please be advised that we recently became aware that the LEA and total years of experience were reported incorrectly for several teachers between the 2015-16 and 2016-17 school years. These teachers were given an extra year in the 2016-17 report which carried through the 2019-20 report. The errors and correct information are listed on a separate spreadsheet attached to this email.

Corrections will be made to the 2020-21 WISEstaff report by deducting one (1) year from LEA and total years for the teachers that were affected.

If you have any questions or need additional information, please feel free to contact me at (715) 535-4044.

Sincerely,

Beth Rogowski  
Administrative Assistant
