RE: 2021-2022 WISEstaff Data Errata

This data errata letter to the DPI is to explain why the Wisconsin Heights School District reported lower fringe benefit amounts for the current WISEstaff Final Certification Report.

In 2021-2022, additional health insurance benefits codes were added due to moving to a different plan and Health Savings Account (HSA). When the process was run, the new benefit codes were missed and therefore not reported, resulting in an under reporting of fringe benefits.

The Wisconsin Heights School District became aware of this on May 2, 2022. The process was rerun to include the additional benefit codes.

If you have any questions or need additional information, please feel free to contact me at 608-767-2595 or bwhalen@wisheights.k12.wi.us.

Thank you for your assistance in resolving this matter.
