Re: Data Errata

To Whom It May Concern,

For the Wisconsin School for the Blind and Visually Impaired, there was no data submitted for the 2017-2018 school year for the count of economically disadvantaged students.

The correct data is:

Not Economically Disadvantaged	38
Economically Disadvantaged	24
Total	62

Please accept this letter as official notification of the error of data. Procedures are now in place to ensure this data is entered into the WSBVI student information system in order to be reported properly on each data snapshot.

Sincerely,

Dan Wenzel, Director
