Re: Data Errata

To Whom It May Concern,

For the Wisconsin School for the Blind and Visually Impaired, there was no data submitted for the fall 2020 school year Snapshot for the count of economically disadvantaged students.

The correct data is:

| | |
|--------------------------------|----|
| Not Economically Disadvantaged | 26 |
| Economically Disadvantaged | 8 |
| Total | 34 |

Please accept this letter as official notification of the error of data. Procedures are now in place to ensure this data is entered into the WSBVI student information system in order to be reported properly on each data snapshot.

Sincerely,

Dan Wenzel, Director
