Dear Rachel:

This letter is to correct the Waterloo School District's October 1 Child Count Data.

DPI's WISEdash snapshot shows a count of 92 students on the October 1 Child Count for the 2021-2022 school year. The correct WISEdash October 1 Child Count number should be 100.

We have taken steps and the data is sending from our two SISs, SEEDS and Skyward.

The eight students that were not on the count fall into the following categories:

1. Age 3 in Private School
2. Age 10 in Private School
3. Age 5 in Private School
4. Age 4 in Private School
5. Age 17 in School District
6. Age 6 in School District
7. Age 9 in Private School
8. Age 7 In Private School.

Thank you for your assistance on this matter.

Sincerely,

Michele Armentrout
