To Whom It May Concern:

After a review of the 2016-17 ACT Graduating Senior data reported in WISEdash, the School District of Menomonee Falls has discovered that the composite reported score of 22.8 is not accurate. Instead, the **2016-17 ACT Graduating Senior composite score should be 23.0.**

This correction is based on the following information:

1. The district used the data CD's obtained directly from ACT.
2. The scores used in the ACT calculation reported to WISEdash should, but did not always, use the most recent ACT score available.
3. The calculation submitted by ACT to WISEdash included scores from duplicate students 10 (ten) times, resulting in extra scores used in the ACT calculation.
4. The calculation submitted by ACT to WISEdash included scores for 10 (ten) students who did not graduate from the School District of Menomonee Falls in 2016-17.
5. The calculation submitted by ACT to WISEdash did not include 2 (two) students that did graduate from the School District of Menomonee Falls in 2016-17 and who did have ACT scores.

If there is additional information required, please contact me.

Sincerely,

Dr. Patricia Greco,
Superintendent, School District of Menomonee Falls
