Dear Michelle:

Per your instructions on 12-16-16, I am writing to update the ISES data that was incorrectly reported for the McFarland School District for the 2015-16 school year.

Upon review of ISES data per Jeffery Perry before ISES was to be permanently closed on 12-16-16, it was discovered that there were 110 additional students who were incorrectly reported as dropouts from Wisconsin Virtual Academy K-8 and High School.

McFarland School District is submitting this Data Errata Letter as you requested because it is no longer possible to correct this information directly in the ISES database. Please see CS Help Request Case # CAS-50670-F1P2F1 for background information and supporting documentation.

Sincerely,

Andrew Briddell, Ph.D.
