Dear Ms. Aro,

Per the ISES instruction, I am writing to update the ISES October 1st Child Count that was incorrectly reported for the Lac du Flambeau Public School after the ISES window was closed.

Lac du Flambeau Public School initially reported 89 Special Education Students but the correct number should be 92 students.

Our intent is to request that this letter be kept on file. We would like to have the correct data on record with the State of Wisconsin, and ask that our claim for funding be updated with the latest approved amounts.

The Lac du Flambeau School's district code is 1848, the schools ID is 8285.

We apologize for this error and will work diligently to not let it happen again. If you have any questions or concerns, please feel free to contact me at 715-588-3838 x 215.

Sincerely,

Trish Teichmiller

Director of Special Education
