To Whom It May Concern;

The School District of Benton has been made aware of a data error reported in WISEdash for Districts regarding the High School Completion rate for the 2015-16 school year.

The data should show fifteen of the sixteen students completed and graduated from Benton High School receiving a diploma at graduation on May 27, 2016.

The one student who did not meet requirements by the graduation date later completed the necessary requirements to obtain a high school diploma through our summer school program. He completed the coursework by Friday, July 1, 2016.

Yours in education,

Kyle Luedtke
Superintendent
