Re: 2015-2016 Milwaukee Public Schools, Correction of Average Years of Experience

Dear Ms. Tenley:

Please be advised that we recently became aware that the average years of experience were reported incorrectly for our teachers for the 2015-2016 school year. The correct information is listed on a separate excel spreadsheet attached to this email.

If you have any questions or need additional information, please feel free to contact me at (414) 773-9953.

Sincerely,
