Dear Heidi:

The reason for this letter is to update the graduation data that was reported in error for 2016 Waterford Union High School graduates. Due to a software issue, I was notified that 289 of our graduates were reported as not completing the 2015-16 school year. This error was also reported incorrectly in WISEdash due to the exit code/type. The true number of high school completers for the 2015-16 school year should be 290 (you had 1 graduate for our school).

Since the ISES collection is closed and has already been publicly reported, I understand that the ISES information cannot be changed. However, I would like to report this error to the Data Errata Website.

Please accept this letter explaining the inaccuracy in the reported graduation/exit of Grade 12 students for the 2015-2016 school year.

Sincerely,

Kathleen Weinkauff
