RE: SPR Data for 2008-2009 for the Seymour Community School District

April 28, 2010

APR 29 2010

Dear Ms. Ihlenfeldt:

As I was reviewing our district SPR data for the 2008-2009 school year, I noticed that data regarding school-sponsored community activities was not congruent with previous information and investigated further. After doing some consulting about this, I discovered that the information was erroneous. Please see below for the corrected data.

SCHOOL-SPONSORED COMMUNITY ACTIVITIES for the Seymour Community School District (2008-2009 school year)

District and State	No. of offerings	Participation Rate (Required Activities)	Participation Rate (Voluntary Activities)	Overall
Seymour	15	0%	26%	26%

Can you please let me know how and when this can be corrected in the SPR database?

Thank you very much!

Respectfully,

Lisa Daubert/school psychologist
