Dear Ms. Boyd:

Steve Sanders asked me to address the ISES report for 2005-2006 because the data reported for the free and reduced student count was incorrect.

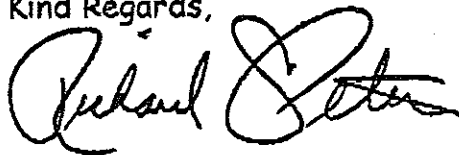

The percent reported was 7% and it should have been 43%

The breakdown for student count would be:

- Crandon Elementary: 197 qualify for free and reduced lunches
- Crandon Middle School: 83 qualify for free and reduced lunches
- Crandon High School: 108 qualify for free and reduced lunches.
- Crandon Alternative Resource School: 15 qualify for free and reduced lunches

If you need anything else please don't hesitate to call me at the above number at extension 6203.

Kind Regards,

Dr. Richard Peters
District Administrator
