RE: Eleva-Strum School District Free and Reduced Data Correction – 2009-2010
school year.

Dear Tiffany Boyd,

Thank you for your help with our free and reduced issue. As per our conversation today, the ISES report from the 3rd Friday in September of 2009 is incorrect online. It reads that we are 32% free and reduced. Our actual documented free and reduced numbers for the month of September, 2009 was **38%**. (237/629 total students)

Please contact me if you have any questions or concerns.

Sincerely,

Mark Gruen
