Dear Ms. Ihlenfeldt:

Thank you very much for allowing our district to correct the number of Economically Disadvantaged students. Some of our data was lost during the conversion of one student information system to another.

The following numbers should reflect the correct totals per school. *for 2009-2010 School Yr.*

4Yr Old KG	BARRIE	LUTHER	PURDY	ROCKWELL	MIDDLE SCHOOL	HIGH SCHOOL
17	95	129	137	88	189	215
